

Your Yosemite Wedding at

**Sierra  
Cider**

# Say your vows in a unique Yosemite destination

Or at the ancient oak tree in the middle of the orchard, or under the conveniently alter-shaped beams of the quaint red barn. Dine as the sun sets over the 800 trees, then dance the night away with flowing drinks from the tasting room.

Sierra Cider is a venue-only rental. While we will provide our beautiful scenic locale and our estate crafted cider, all other vendors and rentals must be arranged by you or we highly recommend a local wedding planner.
